# ABOUT US (A3S)

**AMAN AVIATION & AEROSPACE SOLUTIONS (A3S) is an DGCA CAR 145, EASA Part 145, DOT(US) & AQMS-"AS9100" approved Aviation Company, which provides host of quality work related to Maintenance Repair & Overhaul for Aircraft/Aircraft components, Third party helicopter Maintenance and Aerial Advertising using Helicopter & Charter Services, Indigenisation and manufacture of Aircraft parts and Sub-Assemblies for defence services.**

The business is located in the Mumbai city. This area has many advantages for shipping and receiving, including manpower, access to the customer's facility and an abundance of space for lease. Within the Municipal limits will also reduce the cost in terms of octroi levy. Thus benefit to the customer in terms of cost of services.

## OUR STRENGTH

### QUALITY OF WORK

Our Key Persons are highly experience in Indian Aviation Industry specially in Aircraft components of various types of Commercial Aircrafts and Helicopters. This has created a strong and secure working group.

### COMPETITIVE PRICE

Due to the work next to customers premises, indirectly this creates a built in system to reduce the inventory size, and cost of holding it. The saving on the overheads will also add to their savings/pricing

### PROXIMITY AND PERSONALIZED SERVICE

The setup is in Mumbai. The customer is given the service to make him believe that **"IT IS HIS OWN FACILITY"**

### ON TIME DELIVERIES

System of ensuring that the TAT is religiously followed, thus trying to achieve this target. This is one of the key focus area and U.S.P
